Suggested catalogue text

French design LED lamp providing a great visual comfort thanks to a powerful lighting (380 lumens / or 850 lux at 40 cm) and to a pleasant color temperature (3000° Kelvin). Very low energy usage (7.5 W) and a very long lifetime (50 000 hours). Touch switch with dimmer on the base. Equipped with three metallic articulations ensuring sturdiness and great mobility of the arms and the head. Delivered with a mirror to be fixed to the head of the lamp: discreet and practical! Weighted base for a great stability. Structure: 100% recyclable aluminum and steel. Dimensions: arm length: 24 + 32 cm, Ø base: 17 cm, Ø head: 10 cm
